Anthony George at the blood drive.

Robert, did they finally let you out?

Tammy Brewer as her usual cheerful self.

Hi Elvis, I mean Kelli.

Diana and Jim at the APO Blood Drive.

Kadie, is that you?

Mat and Angie visit the desert wildlife.

Kadie, Angie, Robert, and Gary enjoy a desert morning.

This year, McKendree College saw a change in its traditional mornings. On several occasions, students and faculty clashed against administration and other faculty and students. Protesting was called upon by students to express their concern over the Cultural Artistic Programs policy adopted by President Tenbrink, which forbid a play from appearing at McKendree College. Protest continued, and a Reconciliation Committee was formed to conform to both conflicting sides.
